

Offer by **IST-UBS** in synchronous, asynchronous and recorded courses mode. IST has a 23 year experience of blended mode education, combining the best elements of online learning through the offering of high-quality academic qualifications. As part of a Pan-African initiative, IST started linkages with West and East African Higher Education Institutions in 2015. Kyambogo University is our potential collaborator in East Africa and helps our students for hands on skills. Many students from East African region have received awards of degrees and certificates from IST.

IST ranked **Best Privates Higher Education Institution** in 2023 in Burkina Faso by the ministry in charge of high education.
